Dear Falcons:

On behalf of the National Hockey League, I would like to thank you for your team's overwhelming enthusiasm and generous donation of \$351.05 in support of *Hockey Fights Cancer*. We appreciate your efforts to raise awareness for this important cause and for joining hockey's most important fight.

Hockey Fights Cancer is a joint charitable initiative founded in December 1998 by the National Hockey League and NHL Players' Association to honor those in the hockey community who have struggled with the disease. *Hockey Fights Cancer* is supported by NHL Member Clubs, NHL Alumni, the NHL Officials' Association, Professional Hockey Athletic Trainers and Equipment Managers, corporate marketing partners, broadcast partners and fans throughout North America. Through the support of generous hockey fans and numerous organizations, *Hockey Fights Cancer* has raised more than \$9.5 million to support cancer research.

We are flattered that you chose *Hockey Fights Cancer* as the beneficiary of your "Pucks for Bucks" program. Once again, on behalf of *Hockey Fights Cancer* I thank you for you for your generous donation.

Sincerely,
